Re: MURs 6078/6090/6108/6139/6142/6214

Dear Ms. Jones:

We write on behalf of Obama for America and Martin H. Nesbitt, as treasurer, ("Respondents") to seek an extension of time in which to respond to the Factual and Legal Analysis in the above-referenced matters.

We received the Factual and Legal Analysis on September 10, 2010, and we understand that our response would normally be due on September 27, 2010. However, we require additional time to develop the information that would permit us to respond fully to the Commission's Analysis. Although we requested an electronic version of the excessive contributions referenced in Chart A of the Analysis last week, we are still waiting for a response – and have not received the requested information. As a result, we are forced to reproduce this information by hand using the RFAs. Because the dollar amounts that we have tabulated thus far using the RFAs are not consistent with the dollar amounts listed in Chart A, it will take much longer to reconcile the two and then respond fully to the Factual and Legal Analysis.

Accordingly, we respectfully request a 60-day extension, so that we will be permitted to respond on or before Friday, November 26, 2010.
